

Covid/ Illnesses/Cancellation Policy

I no longer require masks at my office, however you are welcome to wear one if you find it necessary. I am happy to use a mask for anyone that feels that is the only way they can receive PT. As a practical rule I request that you reschedule your appointment if you or a family member is significantly ill with a virus/ flu/ a sudden and current rash or skin infection. I will not charge for a missed appointment due to illness.

You will be receiving one to one PT care and attention at HMPT for a one hour time slot. Keep in mind when you schedule an appointment that I am reserving an entire hour for you. Due to this, I require 24 hour notice for a cancellation. I will make every attempt to reschedule in the same week to makeup that lost appointment and not charge a cancellation fee. A cancellation that is less than 24 hours prior to an appointment will result in a late cancel fee of 60 dollars if I am unable to reschedule that appointment in the same work week. Thank you for your understanding. Honor Murphy PT
